Excursion.—The matter of securing excursion rates from this city to Salem on the day of the intercollegiate field day meet, which occurs on June 6, has been placed in the hands of E. R. (Deacon) Davis and he is now corresponding with E. P. Rogers, Southern Pacific passenger agent, in regard to the rates. It is quite likely that one or two cars will be chartered and a special very low rate made for the round trip. The excursion will probably go down on the Roseburg local the day of the meet and return that night on No. 16. The indications are that a large number from here will attend.—Eugene Guard.

Are You One
Of those unhappy people who are suffering with weak nerves, starting at every slight sound, unable to endure any unusual disturbance, finding it impossible to sleep? Avoid opiates and nerve compounds. Feed the nerves upon blood made pure and nourishing by the great blood purifier and true nerve tonic, Hood's Sarsaparilla.

Hood's Pills are the best after-dinner pills, assist digestion, prevent constipation. 25c.

DON'T BROWN.—A prize fight artist might do you "brown" in a manner that you would not like, but the way Kenworthy & George's restaurant do those 15-cent meals, will suit the most fastidious.

You would do well to examine the "Star-Star" line of shoes at the New York Racket, they are good quality at low prices, and neat in style for men, women and children. 13 3d W

The small admission fee places the opportunity within the reach of all to witness this marvelous production. Only 25 cents all over the house.

REDUCTION IN PRICE.

To prevent loss to the Y. M. C. A. on the entertainment to be given in their hall this evening, by Glenville P. Kleiser, the impersonator, the price of admission will be reduced to 25 cents to the public and two tickets for 25 cents to members. This is a high class entertainment, but owing to the many counter attractions, it seems evident that the association will lose money on this entertainment unless its friends rally to its support and take advantage of the low prices offered. Mr. Kleiser is one of the best impersonators on the platform, and tonight he will be at his best, as he presents the humorous monologue "An American Cousin." Twelve different characters will be accurately impersonated. Seats on sale at Dearborn's book store.

TEACHERS' EXAMINATION.

County Superintendent Graham's Last Quarterly Session.

A large number of teachers and applicants to become such assembled at 1 o'clock at the circuit court room in the court house, to take the regular quarterly examination.

County Superintendent Graham is assisted in his work of conducting the examination, by Professors J. J. Kraps and Geo. W. Jones, the latter being the Republican candidate for superintendent of schools. The examination will take ten days, and then the papers will be passed upon. The assemblage of pedagogues is a large and brilliant one.

COURT HOUSE NEWS.

Doings in the Various Departments of Marion County.

A ROAD CASE.
Simon Boedingheimer was discharged from the county jail Tuesday morning having served a sentence of eleven days for refusing to work his road tax. His case was before a Stayton Justice of the peace on the 1st inst. and he was received by Sheriff Knight on the following day. Of this matter the Stayton Mail has the following: "A suit before Justice G. W. Powell, in which L. S. Lambert, as road overseer was plaintiff, and Simon Boedingheimer, defendant, on a charge of refusing to work road tax was decided for plaintiff and judgment of \$2.70 and costs amounting to \$21.05, rendered against defendant. In default of payment defendant was remanded to the county jail."

CIRCUIT COURT.
In the case of J. A. Baker vs the Williams & England Ranging Co., three creditors of the defendant viz: E. C. Giltner, E. J. Swafford treasurer of Salem, and McCrow & Steusloff, and two of the stockholders viz: Dr. J. A. Richardson and J. A. Baker, have filed with the county clerk their objections to the allowance by Judge Hewitt, part 2, of that part of the claim of R. Williams against the defendant wherein he claims \$24,380. There reason is that the claim is not a debt of defendant nor a claim for which it is liable by reason of any act of its officers and the claim has been fully adjudicated by Judge Hewitt on the petition of R. Williams and the Judge's finding of fact.

PROBATE COURT.
In the probate court the bond of Mary Fortin, administratrix of the estate of Frederick Fortin, deceased, was approved. The amount is \$2,000 and Solmie Fortier and Caroline Provost are the sureties. As appraisers of the estate the court named Jos. Coleman, Peter Kirk and S. J. Kerr.

In the I. R. Moores estate, the hearing of the petition of Mary D. Stinson and Rena Stinson Willes for an order requiring C. B. Moores, the administrator, to appear and show cause why the claim of S. W. Stinson against the estate should not be paid in full, was continued until Monday, the 25th inst., at 10 a. m. The petitioners were allowed until the 16th to file an amended petition and the answer thereto is to be filed by the 25th.

The amended final account of Lewis Savage, administrator of the L. B. Cavanagh estate has been approved by Judge Hubbard. Objections made by L. C. Cavanagh, one of the heirs, to the allowance of credits for attorney's fees made by Mr. Savage were overruled. The final report will be approved after the administrator deposits with the county clerk a certain sum of cash belonging to the estate—about \$3,600—and some vouchers and papers.

Mrs. Annie Stehle, 2023 Cottage Grove Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength.
